Motion B. Emmons, second M. Adolph

For the Spring 2025 season, all base runners may, at their choice, now step off 1st base into foul territory when a left-handed batter is at the plate and from 3rd base for a right-handed hitter. The following are required when doing so:

1. The runner **MUST** inform the umpire before the first pitch.
2. The runner must stay even with the base and no farther away than the inner coach's box line.
3. The runner must re-touch the base before proceeding to the next base after a batted ball.
4. Once off the base, the runner must stay at that position until the ball is hit.

Passed Yes: 4, No: 2.

Note: This is only a test so please provide your feedback to any umpire or board member.

→ **Meeting Adjourned:** 4:08 p.m.

→ **Submitted:** Bill Webster (Next SSSA Board meeting: June 5, 2025)
